Woodstock Day School

2008-2009 Student Technology Use Agreement and Parental Permission Form

To use school computers or the network, all students must return this form. **Students in grades K-4** may have **supervised** use of computers with parental permission (fill out the lower part of form below and student name above). **Students in grades 5-12** must sign this form along with their parents/guardians. We ask parents/guardians of students in grades 5 and up to review the guidelines in the school's acceptable use policy with your child. Please contact your child's teacher if you have any concerns about computer use in the class.

The following behavior is expected when using school equipment:

- **Respect the privacy of others; do not intentionally access or alter data belonging to others.**
- **Follow Internet safety practices: do not reveal any private personal information about yourself or others; immediately report any threatening or inappropriate communications; never agree to meet someone met online.**
- **Use appropriate and respectful language at all times. Do not deliberately access or transmit offensive or inappropriate images and messages.**
- **Treat school equipment with care: do not deliberately damage, modify, or abuse hardware, software, or system settings in any way. The community suffers from damaged or stolen equipment.**
- **Respect the law and copyright regulations.**
- **Help maintain the integrity of the school network by not sharing passwords and accounts, and do not knowingly introduce any viruses into the system. Report any potential security issues to a teacher.**
- **Use only school-approved software. Do not install or download any software without the permission and supervision of a teacher.**
- **Do not use the school system for personal for-profit or not-for-profit purposes.**

For Students Grade 5 - 12
